BOX SEQUENCE

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Pursuant to 37 C.F.R. § 1.821(e), Applicant respectfully requests that the sequence information previously submitted in parent application ("parent application"), U.S. Serial No. 08/964,162 filed November 4, 1997, be transferred to and used in the above-referenced patent application ("instant application"). A computer readable sequence listing was submitted to the U.S. Patent and Trademark Office as a substitute sequence listing on June 24, 1999 in response to an Office Action in the parent application. The sequence information in the instant application is identical to the sequence information contained in the previously-filed computer readable sequence listing in the parent application. It is understood that the U.S. Patent and Trademark

Office will make the necessary change in application number and filing date of the computer readable form that will be used for the instant application. A paper copy of the sequence listing is included in the originally-filed specification of the instant application.

Applicant requests the transfer of the previously-filed computer readable sequence listing from the parent application to the instant application is in lieu of filing a duplicate computer readable sequence listing.

No fee is believed to be due in connection with the filing of this document; however, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to this document, the Assistant Commissioner is hereby authorized to deduct said fee from Arnold White & Durkee Deposit Account No. 01-2508/UTSH:248/SHS.

Respectfully submitted,
